The Parasol Protectorate Boxed Set: Soulless, Changeless, Blameless, Heartless and Timeless

Alexia Tarabotti is laboring under a great many social tribulations. First, she has no soul. Second, she's a spinster whose father is both Italian and dead. Third, she was rudely attacked by a vampire, breaking all standards of social etiquette. Where to go from there? From bad to worse apparently, for Alexia accidentally kills the vampire -- and then the appalling Lord Maccon (loud, messy, gorgeous, and werewolf) is sent by Queen Victoria to investigate. With unexpected vampires appearing and expected vampires disappearing, everyone seems to believe Alexia responsible. Can she figure out what is actually happening to London's high society? Will her soulless ability to negat

Review 1:

My favorite series from 1 to 5, the Parasol Protectorate wins my undying fandom. Gail Carriger is a delight to hear in person, sharing her insights and inspirations. Soulless will remain my go-to chuckle-out-loud standard until miracles happen and something better gets created (I'm not holding my breath). Just lovely.

Review 2: A real page turner. Couldn't stop!

Review 3: A great series!!! Witty writing and fun characters!

Review 4:

Lie a caterpillar, what began as a rather simple premise, albeit delightfully written, evolves through the subsequent novels into a complex and vibrant being. A steam punk, supernatural romance becomes an evolving look at the things we do for love, the connections we make, and the choices at hand. All with parasols, manners, and high tea.

Reader beware: within lay heart wrenching twists of fate. This is not a series for fans of status quo. One may cry as hard as one laughs, and some twists are bitter, or bittersweet.

Review 5:

A four books bundle is often a good deal, and when the separate volumes aren't available overseas it is a no-brainer.

Parasol is not a serious study of challenges in Victorian times, but an entertaining take on some of darker sides as juxtaposed by adding Vampires and werewolves to the mix.
