What others say about this ebook:

**Review 1:**

Dr. Alan Schreck is a well-known Catholic writer. I learn from each of his books and share them with others. The Compact History of the Catholic Church is one of his best. He presents the Church's history in an easy-to-understand way. Still, slow reading is needed to grasp the connections of dates and persons. Dr. Schreck helps the reader with those connections by his concise writing. Volumes have been written on the history of the Catholic Church. Dr. Schreck does wonders in making it understandable.
