### The Green Season

A dynamic collection of essays and reportage, The Green Season illustrates daily life in Costa Rica, a tiny Central American nation dedicated to peace and teeming with tropical life. With his trademark humor and observation, Robert Isenberg describes the people, culture, and biodiversity that make Costa Rica so unique—from a centuries-old indigenous ceremony to a protest parade commemorating the country's 50th anniversary to a country based on coffee, fighting his way through San José traffic, mingling with someone special, and even looking a country in its tight soccer fix at the height of World Cup fever. Richly detailed and tenderly written, The Green Season is one report you never fail to be a delight to read.

### Hayate X Blade Omnibus 2

Dean Amachi Hitsugi has lorded over the student body of Tenchi Academy with a unique mix of eccentric policies and scatterbrained benevolence, but all that could be coming to an end. Stoic Hoshikawa Kurea and her unruly partner, Tsukishima Minori, think they have a fool-proof plan for usurping Hitsugi's position atop the Hoshikawa ranks—and seizing control of the entire Academy. Meanwhile, the rest of the students are gearing up for the upcoming School Festival. To Ayana's chagrin, most of the couples—including her own—have decided to have maid cafes! Worst of all, Ayana's girl-crazy roommate Jun is in charge of designing Ayana's maid outfit, and it's sure to be too hot to handle!
