The Four Teresas

An out-of-the-box look at four of the greatest women of the Church, and what their example can mean for you. Thérèse of Lisieux, Teresa of Avila, Teresa Benedicta of the Cross, and Mother Teresa who wouldn't want these women as friends and guides? Lively, determined, devout but never passive, they were all straight-shooters with an abundance of common sense. They were also deeply in love with God, clinging to him with a tenacity that freed them to do the impossible. Using the Great Commandment as her guide, Gina Loehr focuses on how each of these women lived out one particular aspect of the command to love God with heart, mind, and soul and neighbor as self. Reaper's Legacy (Reapers Motorcycle Club)

Eight years ago, Sophie gave her heart—and her virginity—to Zach Barrett on a night that couldn't have been less romantic or more embarrassing. Zach's step-mother, a steely-muscled, tattooed biker named Ruger, caught them in the act, getting a peep show of Sophie he's never forgotten. She may have lost her dignity that fateful night, but Sophie also gained something precious—her son, Noah. Unfortunately, Zach's a deadbeat dad, leaving Ruger as Noah's only male role model. When he discovers Sophie and his nephew living in near poverty, Ruger takes matters into his own hands—with the help of the Reapers Motorcycle Club—to give them a better life. Living with outlaw bikers wasn't Sophie's plan for her son, but Ruger isn't giving her a choice. He'll be there for Noah, whether she wants him or not. But Sophie does want him—has always wanted him. Now she'll learn that taking a biker to bed can get a girl dirty in every way...

What others say about this ebook:

Review 1:

A very interesting look at these 4 lives and their individual approach to sanctity.

Review 2:

Four Teresas are alive and well and the author does a fine job doing just that.

Review 3:

I salute the sellers (I bought two copies, each from a different vendor) of this book. They are as described, great condition. The book itself is excellent ... though, I realize the subject matter depends upon the individual. Important to every online used-book buyer is the fact that a seller describes it accurately! Thanks.

Review 4:

After reading the book I want to read more about their faith/prayer life. You forget that they are human and had the same trials and tribulations that we all have in life.

Review 5:

The information on each of these was informative and I have recently learn of a group called the Four Teresas in my area.
